

2 soverom Leilighet til salgs i Villajoyosa, Alicante

699.000€

Exclusive offer on the market: apartments in an apart-hotel located in an elite area on the front line of the sea. The complex is immersed in a eucalyptus grove, where silence and freshness prevail, and from the spacious terrace of the apartments, mesmerizing views of the Mediterranean Sea unfold. This is a rare opportunity to combine life in a pristine natural environment with the privileges of elite real estate. The apart-hotel format guarantees a high level of service: 24-hour concierge, swimming pools, relaxation areas, and access to private infrastructure for residents. Here, every detail is designed for comfort and coziness, and the location itself is unique, as new developments in this area are not permitted. This is not just a home by the sea—it's a truly exclusive investment in a limited resource.???? We are ready to arrange a visit for you in the near future so that you can personally feel the atmosphere of this unique place.
