

6 soverom Herregård til salgs i Daya Vieja, Alicante

749.000€

A spectacular fully renovated rustic finca for sale located in Saladaivieja next to Benijófar in a very quiet area with excellent privacy. The property sits on a large plot of approximately 6,500 m² and features a main house of around 250 m² designed for maximum comfort in a natural setting. The finca includes a private swimming pool with a waterfall, a well-maintained garden, a closed garage for two cars as well as multiple parking spaces within the plot, and a solar panel system providing near self-sufficient energy consumption. The house has been completely renovated and offers a large open-plan designer kitchen, a summer kitchen, and outdoor areas ideal for gatherings and leisure. It has 6 bedrooms and 5 bathrooms, providing a spacious and comfortable layout. There are also two large enclosed terraces, one of which features a dining area, perfect for year-round use. On the upper floor there is an independent studio with a private terrace and bathroom, ideal for guests or as a separate living space. The property also includes additional versatile rooms. A unique finca combining privacy, nature, modern comfort, and energy efficiency in a prime location.
