

5 soverom Villa til salgs i Marbella, Málaga

3.670.800€

A location where the natural world, the sea, and the horizon meet the color blue and green. One of the most well-liked areas in Marbella for people seeking the best in luxury, opulence, and elegance is the Golden Mile.

This high-end 873 m² villa with a south facing aspect will be completed in 2022 on a plot measuring 980 m². The exquisite home is divided across three stories. A heated pool, a movie room, a sauna, and a variety of other amazing additions will be available for you to choose from.

There are a total of 6 bedrooms; the master bedroom is one of them, while the other 4 bedrooms share a family bathroom. Large picture windows in the kitchen provide views of the sea and let in plenty of natural light.
