

Land til salgs i Herguijuela, Cáceres

48.500€

An opportunity to build your dream home in the country. Almost 40,000 sq m - nearly 10 acres - of fully fenced land with good views a short distance from the village of Herguijuela, about 15 minutes from Trujillo. Lots of encinas (the trees that provide acorns for the area's famous black pigs) and volcanic rocks. Mains electricity or solar power available, plenty of water. We can help you obtain the necessary planning permission and introduce you to local architects and builders. Estimated cost of building standard 3 bedroom house +/- 125,000 euros.
