

3 soverom Herregård til salgs i Jaraiz de la Vera, Cáceres

325.000€

Spacious three-bedroomed house with land between Collado and Jaraiz de la Vera with 14,000m² land. A modern property built in 2001 with swimming pool, car porch, garage, outside barbeque area. The property has good access, an electronic entrance gate and automatic exterior lights. There is a well-built chicken coop and automatic irrigation around the pool and garden area. The majority of the property is fenced with an area suitable for establishing a large vegetable garden or planting fruit trees at the bottom area of the finca, which is not fenced. The property has its own water supply for irrigation. The house has mains water and electricity. There is also a 25m² stone outhouse suitable for conversion to a studio, workshop or accommodation for guests. The house can be sold furnished at an additional cost.
