

Land til salgs i Valverde del Fresno, Cáceres

135.000€

Beautiful piece of land of varied terrain of nearly 3 hectares (about 7 and half acres) with panoramic views, just 10 minutes from the village of Valverde del Fresno. There is a small house, abundant natural water supply, with shade trees, olive trees, excellent soil. Easy access direct from the road. A great opportunity to get away from it all, but with easy access to the nearest village.
