

Land til salgs i Valverde del Fresno, Cáceres

59.500€

With delightful country views only 5 km from Valverde along a well-kept beaten track, this former smallholding has a stone house plus ruins affording approx. 300 m2 living-space, set in 10.000 m2 of top quality land, with olive trees and vegetable garden. There is a deep well affording an all-year-round water supply, and in winter a little stream runs along the far limit of the property.
