Villa Azul is a delightful family home located just a stones throw away from the Mediterranean Sea in a quiet and residential area of Mijas Costa. The property boasts a plethora of features including its own private pool and garden, off road parking and most importantly of all, unparalleled sea views from all corners of the house. Upon entering the property you have a fully fitted and modern kitchen to your right with central island and a lounge like no other you have seen before. From the lounge there is a staircase down to your very own private pool and patio area, perfect for relaxing in the sunshine or hosting a BBQ for family and friends. To the side of the house there is a grassed area as well, meaning there is plenty of outdoor space to enjoy. The pool can also be accessed via the front of the house around the garden area to the side of the property.
