

6 bedroom Villa for sale in Ronda, Málaga

840,000€

For sale in historic Ronda. Stylish villa with pool and gardens, 6 bed, 3 bath and 2 wc's. Luxurious with well thought out design and features throughout, providing quality and great comfort for this spectacular, large family home.

The secluded and private, low maintenance garden, has a salt water pool with jacuzzi, water feature, spectacular views of Ronda and the surrounding countryside., large terrace, sauna, and with the added bonus of a self-contained 3 bed apartment with separate entrance which can be used for guests, family or tourism.

Attention to detail and well designed with high standards, the German / Spanish owners thought of space and light when designing the house. The windows and doors were made and brought from Austria. Wooden and marble floors. The house has installed water softener, solar panels, underfloor heating, air conditioning and storage throughout. There is a very convenient double car park space at the entrance. Stairs lead up to the terrace and the front door with a lovely spacious entrance. The views can be appreciated from all the windows and balconies.

There is a large, relaxing kitchen lounge and dining area with its private terrace overlooking the garden. Also from which you can access a back patio, laundry room, large pantry, and the double garage.

The bonus apartment can also be accessed from the kitchen or by its own front door by the entrance. There are three double sized bedrooms, a separate kitchen, another kitchenette/ lounge and dining area with a library. A separate WC and additional spa style bathroom.

The top floor has three large bedrooms, each with balconies. The master bedroom has three built-in wardrobes and ensuite.

This is a unique, one of a kind property, must be seen. Perfectly located, on the border of the historic, most desirable part of Ronda, with restaurants, a school, bank, bars and beautiful plaza, yet peaceful within the countryside, and all in walking distance.
