

3 bedroom Townhouse for sale in Montefrio, Granada

55,000€

This 3 Bedroom Townhouse with outside space is situated in Montefrio, one of the most famous towns in the Granada province of Andalusia, Spain, for its stunning views. Price to sell at just 55,000 euros, it needs the renovations that have been started to be finished to your own specification. The property comes with a garden area on a good size 194m town plot. You enter the property in to a good size lounge off which are 2 further rooms then in to a tiled kitchen space and there is also a ground floor fully tiled bathroom. The unfinished stairs take you to the first floor where is space for 3 double bedrooms and a shower room you also have access out into your private terraced garden space with the bonus of being able to create a large roof terrace. The town water and electricity will need to be re connected but this is reflected in the low asking price of 55,000 euros.
