

Land for sale in Sotogrande, Cádiz

1,130,000€

Sotogrande is famous for its sports activities. Such as Polo where the top teams in the world battle it out over the summer months. There are many golf tournaments that are played out on one or other of the 5 golf courses in Sotogrande.

Sotogrande is a luxury residential urbanization situated in Southern Spain. Covering more than 2.000 hectares,

'...Occasionally there is an opportunity to create something unique, a community of extraordinary homes for a community of extraordinary families, something truly rare and sublime '

La Reserva Club is the jewel in the Sotogrande crown. This is where the new residents to the area can make their stamp in the Sotogrande society. La Reserva Club is a secure, relaxed paradise, which offers a healthy lifestyle, sophisticated social scene, excellent sports facilities, diverse gastronomy and a top International School.

Then there is sailing where many of the national and international regattas compete in the local waters. And finally, tennis, which is played throughout the year thanks to the superb climate that bathes Sotogrande throughout the year.

La Reserva is where one finds the best building plots in this magnificent urbanization. Plots with Golf views, sea views and mountain views. Plots of a substantial meterage where one can build their dream home without restriction to size. Being placed on a hillside,, this lends to the most spectacular views from almost any point.
