

## 4 bedroom Villa for sale in Muro de Alcoy, Alicante

200,000€

This charming 4 bedroom house is located in the picturesque natural parc area of Muro de Alcoy. The house has a kitchen, living room, bathroom, storage room and an outside bathroom and an outside kitchen with BBQ, which could easily be made into a casita. From the roof top terrace, there are beautiful views of the mountains. In the lovely landscaped garden there is a large pool (with a modern fixed cover which keeps the pool both clean and warm). The property and garden have been maintained well and the house is ready to move in to. Maybe you would want to modernise it a little bit to put your own stamp on it. The little beautiful village Turballos is within walking distance and the nearest supermarkets, medical centre, bars, restaurants and schools are only 3km away. This area is well known for its hiking and cycling routes. It will take you 45 minutes to get to the airport or beach and the nearest train station is 15km away. What's not to like?
