

3 bedroom Townhouse for sale in Estepona, Málaga

850,000€

Wonderful house for sale in Estepona, with sea views. It is a modern residential project on the beachfront on the Costa del Sol. Its location offers absolute privacy and green areas for people who like nature.

It is distributed in a private terrace with jacuzzi, pergola, deck of floating floors and barbecue area. It also has its own underground garage, with direct access to the apartment, as well as common parking spaces for guests.

It is a short walk to the marina of Estepona, close to the city center and with exceptional connections to Puerto Banús, Marbella and Malaga and Gibraltar airports.

Common areas with large areas of bath (50m pool, outdoor children's pool). A Spa circuit with heated pool, ice water, sauna, Turkish bath and a fully equipped gym.

The house also has two chill-out areas, beach beds, waterfalls and other aquatic resources spread over the interior of roads, squares and gardens ... All within an enclosure with security control.
