

2 bedroom Apartment for sale in Estepona, Málaga

420,000€

2 bedrooms apartment in New Golden Mile

Located between Marbella and Estepona, in the heart of Atalaya Alta, apartment is located in one of the most incredible enclaves, completely surrounded by nature, but just minutes from all the necessary services, restaurants, beaches, golf courses, schools, etc. It is an idyllic place where to breathe pure air and tranquility, enjoying a natural environment without giving up the luxury or the services that the area offers.

It is a private and closed residential complex of 46 apartments and penthouses, of superior quality, spread over 5 blocks of low density.

The more than 9,000 m2 of land have made it possible for the apartment to have impressive gardens and a new concept of outdoor heated swimming pool with saline chlorination that offers the possibility of enjoying the outdoor bathroom all year round.

Its location and careful study of the design and location of the buildings have made possible a new concept of residential designed to enjoy nature and the outdoors and fully adapted to a functional and modern lifestyle, without having to give up charm and comfort.

(parking for 4 cars and storage included).
