AN EXCLUSIVE URBANIZATION WITH SEA VIEWS

This magnificent resort has been conceived as a private and exclusive space for the leisure of a small community of owners who will be able to enjoy various activities, sports and entertainment in peace.

In the center stands out an impressive communal pool and jacuzzi, a refreshing splash area for children and a multi-sports court.

The common areas of Seascape Blue are completed with a paddle tennis court, playground, bio-healthy exercise area and gyms. Also with landscaped areas for walking, dog gym and recreational rooms.

You can also make use of a gourmet room and without forgetting the heated pool.

DESIGN AND QUALITY

We have chosen top quality materials and major brands. The design and exclusivity of the resort mark the style of a unique home in an exceptional setting.

The orientation and distribution of the homes and their staggered design allow the rooms to be optimized to make the most of natural light and enjoy magnificent views of the sea and nature.

Having the sea nearby is in itself relaxing.

The sound of the water and the tranquility it transmits is a luxury that we wanted to bring to this resort.

In addition to the large outdoor pool, which you can enjoy every sunny day of the year, we wanted you to be able to enjoy a relaxing bath. The residential has a heated pool, so you can enjoy the pleasant sensation of taking a bath whenever you want, even on the few days when the sun does not

shine on the Costa Blanca
