

4 bedroom Townhouse for sale in Golden Mile, Málaga

1,795,000€

SEMI-detached villa with walking distance to puente romano, marbella's golden mile

In the bustling surroundings of Marbella's Golden Mile, this semi-detached property offers the most exclusive and splendid living. This property is suitable for both permanent living and rental options due to its ideal location and designer decor and comfort features. The villa is found within a gated community, and is spread over four floors in total. The entrance floor comprises a fully fitted kitchen with a central island, dining – and living area all seamlessly integrated with one another. From here you have direct access to the garden with a plunge pool and chill-out area, ideal for gatherings with loved ones as you can enjoy the lovely afternoon sun until it sets.

The first floor is entirely dedicated to the grand master bedroom with fitted wardrobes and ensuite bathroom, as well as the two guest bedroom suites sharing one bathroom. The master suite benefits from its private terrace with stunning views across Marbella, towards the sea and the La Concha mountain. Going down to the basement area you will find the entrance of the parking and an extra room that has the potential to be converted into whatever the owner desires. At last, the villa is completed by the expansive rooftop solarium with far-reaching panoramic views. All four floors are connected by an indoor elevator for optimal convenience.
