

4 bedroom Villa for sale in Monóvar, Alicante

199,000€

Luxury villa with good price for partial renovation. the villa has many meters of house and also of plot to be able to make a guest house, a swimming pool, ...ETC. in the house that needs a partial renovation to be able to live in there are many luxuries and details (quality windows, toilets with taps and fittings, large windows, glass balcony,...). we do not have a real estimate of the cost of bringing it up to date but we can give you advice on how to complete it. we believe that this is a very good investment and that it is worth living or investing in this house. you want to change your life living in a quiet area with a lot of sun and good communications.
