When you decide to take a few days to rest, to forget about the daily grind of work, the city and stress, it is often said that these are days of disconnection. But here we want to raise this term to its maximum power. In your new home in the Manilva area you will be surrounded by what really matters: nature, the sea and your loved ones, thanks to the tranquility of living away from an electric, fast and routine life.

Here your main neighbor will be the sea, a quiet neighbor, whose sound does not bother, but relaxes, which you can visit whenever you want thanks to its proximity and which will welcome you with a smile as wide as the beaches in the area. Your new home will be made to measure for you, in a complex of 2-bedroom homes with parking, sea views and community gardens.
