New development: Situated overlooking the stunning natural descent from the foothills of the Sierra de Mijas mountains, this magnificent new development is the epitome of modern living. Our unique off-plan project offers much more than just beautifully styled contemporary apartments; it's a master-planned eco-friendly community with exceptional infrastructure and support services designed to provide a superior quality of life.

With over 20,000 m2 of landscaped green areas, this new development is an exclusive project of 224 apartments, including 141 two-bedroom apartments, 45 three-bedroom apartments, and 38 three-bedroom penthouses. The units are distributed over four-floor configurations, constructed on platforms of varying heights to guarantee breathtaking views. These properties are located in small, intimate buildings with a perfect south or southwest orientation, ensuring privacy and seamless integration with the stunning surroundings. This community boasts a total of 6 swimming pools, and all apartments come with two parking spaces and a storeroom.

We are committed to reducing our environmental impact as much as possible, and that's why our development is breem (Building Research Establishment Environmental Assessment Methodology) certified.
