

2 bedroom Apartment for sale in Fuengirola, Málaga

372,000€

This new development is a residential project located in Fuengirola (Malaga), one of the most emerging areas of the Costa del Sol.

Due to its elevated layout, this project of 36 apartments, enjoys stunning panoramic views of the Mediterranean Sea.

The properties have generous terraces with great views of the Costa del Sol. Each apartment will also include 2 parking spaces and a storage room. The open-plan living/dining area provides is full of light and comfort in a bright and airy open space.

The communal areas of the development include a swimming pool for adults and another for the children, surrounded by landscaped gardens.

There is also a gymnasium and social centre for meetings and socialising.

At this project we opted for renewable energies by installing a solar power collection system for sanitary hot water production.

Now you have the perfect opportunity to enjoy the advantages of living in a dynamic and vibrant city, as well as the tranquility of living near the sea and the mountains.
