

3 bedroom Apartment for sale in Sotogrande, Cádiz

2,200,000€

New development located in Sotogrande which combines contemporary living with state of the art facilities, in a beautiful, natural setting, to create a community like no other. The development consists of contemporary two, three, and four bedroom apartments plus four bedroom penthouses that offer the ultimate in modern open plan living. They are flooded with light and boast incredible dual aspect or wrap-around terraces to enjoy the warm Spanish sun. With a total area of between 181M2 and 524M2, these generously proportioned apartments include underfloor heating and Aerotherm air-conditioning systems, the latest Italian bathroom fittings and luxury branded kitchens. The modern, sleek interiors blend seamlessly into the wonderful terraces, perfect for al-fresco dining and relaxation. The lateral designs allow for terraces of at least 65 square metres per property, plus large roof solarium for the penthouses and private gardens for the ground floor apartments. All properties come with 2 private garage spaces and spacious storerooms. The communal area features the main pool and children's pool with a sandy bottom, 25m lap pool for adults, an indoor pool with gym and spa area, a croquet lawn, tennis courts, a jogging trail, a green pedestrian promenade and an outdoor gym. Constructed using sustainable construction methods and will have breem certification. Breem is a sustainability assessment, which offers certification for projects which offer a more sustainable environment which enhance the well-being of the people who live and work in them and help protect natural resources.
