

## 6 bedroom Country House for sale in Sayalonga, Málaga

780,000€

Spacious house built over two floors with characteristic elements. This property was built by the owner on the spot where 22 years ago an old cortijo stood. The old stones were used in this house. From the main road you immediately have the entrance and access to the porch... And what an entrance! Overgrown with trees and plants, flanked with light elements and a central fountain. This brings you to the entrance of the house where you immediately have two cozy terraces. The entrance door is one of the antique shops... Beautifully robust. The entrance hall is the connection between the kitchen and the living room. The kitchen is rustic, equipped with the necessary appliances and has access to the covered terrace. The living room is spacious, with high ceilings and a fireplace that provides warmth to the whole house in winter. Further down, the ground floor has two large bedrooms, one smaller and a shared bathroom. From the living room a staircase leads to the upper floor. Here are three more spacious bedrooms and a large bathroom. Around the house are numerous rest areas and terraces. The swimming pool is surrounded by mature trees and plants, providing a lot of privacy. There is also a vegetable garden, chicken run and old horse stable. The different levels in the garden are connected by paths and stairs amidst flowers, trees and plants. This house full of character is ideal for those looking for a spacious home with good access and only 15 minutes' drive from the sea.
