

3 bedroom Apartment for sale in Estepona, Málaga

385,000€

New project that overlooks the sea and the mountains and whose architecture blends in with the surroundings to create a habitat of its own, where the sun and the Mediterranean mark the passage of time.

The large and well distributed interior spaces of the apartments stand out for their spaciousness and luminosity. Thanks to the large terraces of the apartments, the solariums of the penthouses and the private gardens on the ground floor. The wonderful surroundings of the Costa del Sol form part of each property.

The soft, singular lines of this complex blend into the landscape, generating a symbiosis between the buildings and the gardens. An integrating vision based on the premise that good architecture is based on respect for and integration into its urban and natural context..

Set in a natural environment of great beauty. The coastline of Malaga and the Sierra Bermeja area give rise to a biodiversity and a variety of climates and landscapes unique in Spain.

Amongst the very complete communal facilities, a special mention should be made of its two outdoor swimming pools, its coworking space, fully equipped gymnasium and sauna with shower area.
