

3 bedroom Villa for sale in La Romana, Alicante

185,000€

Great cave house completely restored in the town of La Romana.

The plot of 2156m² is completely fenced, inside, we find large gardens with aromatic plants and gravel and trees that provide plenty of shade, as well as having a small pool of 4x3, a Jacuzzi for two people, and a great barbecue area with wood oven and storage.

We access the house to a small room, which can be perfectly an independent reading area, from there, we go to a large kitchen with dining room, on this floor we find a toilet and a bathroom with bath and shower that is also used as a utility room. A staircase from the dining room gives access to the cave where there is a living room with wood stove, two bedrooms and another living room with a large fireplace. Some stairs give us access to the first floor where we find the main bedroom with bathroom with shower and a small storage room. From there we access the back of the house where we find a porch. From the inside of the house we also access some work areas / warehouses.

The house has electricity and water.
