

2 bedroom Apartment for sale in Denia, Alicante

355,000€

More than 75% reserved, reserve now before it's too late - only a few properties left!

This new development of 2 and 3 bedroom apartments is situated front-line to the beautiful sandy beach of Playa L'Estanyo, approximately 7 kilometres from the centre of Denia. The complex will consist of 3 blocks of apartments, all with sea views and with spacious communal gardens and a large communal swimming pool. Each block will consist of a ground floor with larger, open terrace, 1st and 2nd floors with a good sized covered terrace and a duplex penthouse with a covered terrace from the living room and a large open terrace from the bedrooms upstairs. This is a unique opportunity to own a brand new apartment in one of the last plots of front-line land in such a sought after area. The properties will be finished to a high standard with modern fittings and pre-installation of ducted air-conditioning. Prices from:
