

4 bedroom Cave House for sale in Santa Eulalia, Jaén

1,950,000€

Located in the lower and sunny part of Siesta, near Santa Eulalia, this extensive property is surrounded by pines and fruit trees and enjoys the advantage of being a few steps from the sea and the center of the city of Santa Eulalia, as it is located near the mouth of the unique river of Ibiza.

The property is located at the end of a private street and is surrounded by plants and trees that make this place unique and with great privacy. Accessing the garden, passing by the pool, you reach the entrance of the villa, through the large outdoor terrace, covered in part by the roof of the house. Entering you will reach a spacious living room with windows on all sides that guarantee perfect natural lighting of the living room. In this room there is also a traditional fireplace. The large kitchen with its dining room is located right in the adjacent room, while from the laundry that is located right next to the kitchen you access the garden.

With a few steps you can access the two double bedrooms with fitted wardrobes and with their windows to the garden. These bedrooms share a bathroom with bathtub and toilet. On the first floor there are two other bedrooms, one of which with fireplace, that share a large bathroom with jacuzzi. Both bedrooms have access to a large outdoor terrace overlooking the pool area.

This property needs a full renovation to update it to the current standard. It is a great opportunity for the new owner to create the house of his dreams, with an exceptionally large pool of size and depth. The location, just minutes walk from the city and excellent privacy make this a great investment.
