

## Land for sale in Algorfa, Alicante

130,000€

This Plot of Land in Montemar is located in a great and prominent location, towards the back of this quiet and quaint urbanization, between Algorfa village and La Finca Golf Resort. Situated within a few minutes drive of the nearest amenities and facilities, plus just 15 minutes drive from the coast at Guardamar del Segura, where there are blue flag and award winning beaches! This plot is of some 1.100m<sup>2</sup> with lots of possibilities; even to build a property across two storeys, up to a build size of 550m<sup>2</sup>. The first floor then would have some of the best views around, to include the uninterrupted pine forest, Montemar Castle and beyond to the sea!!! Great price...
