

3 bedroom Villa for sale in Cuevas del Almanzora, Almería

199,000€

Design and Build your dream home in the sun from 199,000€

For many years Medalmar have specialised in the design and construction of properties to our clients own specifications,

Working with our architects our clients can have the option of using a choice of several template designs and altering to suit there needs or can have a more hands on approach designing their own unique home in the sun,

There are also a choice of options for construction beginning with a traditional build style, an energy efficient option and for the ambitious clients we also provide an ECO friendly build style,

Parcelas / plots:- we can provide many options with size and locations for your home, whether your like a coastal property with easy access to the beach or slight further inland or indeed for country style living, we can provide you with fully licensed plot ranging in size from 400m2 up to 1000+m2,

Medalmar have a long standing reputation spanning 19 years for designing and building homes to our clients specifications and will take great delight in helping you with your future home in the sun,
