

3 bedroom Villa for sale in La Cala de Mijas, Málaga

1,050,000€

Unique gated community of 19 luxury villas in the heart of the Costa del Sol

Beautiful villa, contemporary style, with 3 bedrooms and 3 bathrooms with the option of 4 or 5 bedrooms.

Large living spaces where everything is in harmony, underfloor heating, luxury kitchen with first quality materials.

This villa project is a project designed for relaxation, using the latest technology for a good rest.

Owners will be able to experience the BIOW system in their master bedroom, where biotechnology is applied to cell regeneration and reduction of oxidative stress. This improves the quality of sleep and helps the circulatory system.
