

6 bedroom Villa for sale in Alacant/Alicante, Alicante

1,690,000€

Villa for sale in Vistahermosa, Alicante

This majestic villa of 769 m2 built on a plot of 1,330 m2. It leaves us sensations of spaciousness, comfort, elegance, tranquility and privacy. We open the huge wooden door and we are already struck by the surprising distribution hall where you can see ceilings at different heights, a combination of decoration with stone walls, wallpapers, and smooth paintings, a spectacular flown staircase, and large windows letting in natural light. Wooden panel in American Walnut where it is actually a sliding door with access to a peculiar private room that is currently used as a library, living room and dining room, it has its own staircase to go up to the upper floor, continuing in this room we have Access is currently an office. Living room-kitchen that, at the same time as being united, separates them with a huge security glass and a sliding glass door, the comfortable living room with its fireplace makes it very cozy, with access to its huge covered terrace and its entire plot, the Large and comfortable kitchen that, being attached to the living room, makes it possible to have a greater family unit.

*The price of the house does not include furniture.

On the first floor we have the huge and warm master bedroom where we find two independent dressing rooms and a front of closets, of course its large private bathroom. We have a second room and a modern bathroom. Already on the upper floor we have several special corners where you can read, listen to music or, for example, as is the case, play the piano or go out to a curious terrace with views of the garden and pool. We have three beautiful attic rooms, two of them huge, one of them has its private bathroom, and another independent bathroom to serve the entire upper floor. The house has a large basement with a laundry room and access to the car park, or access it by a comfortable ramp that at half height we can enter a room where there is all the plumbing installation, already entering the parking area with a huge open space and comfortably park more than 4 cars, motorcycles, etc. Cabinet area and separate room for the entire electrical system of the house. From there we can access the gym with space for different machines or choose to go to the sauna and a spacious and comfortable bathroom. We have a large window where natural light
