

3 bedroom Townhouse for sale in Fuente Tojar, Córdoba

38,000€

Situated in the Spanish village of Fuente Tojar and close to the large town of Priego de Cordoba in Andalucia, Spain, this 3 bedroom townhouse.

Offering lots of character and potential this property has lots of hidden gems which with a little bit of uncovering could make this place stunning like stripping back the old original beams to show the natural wood and also bring back the traditional doors to their former glory. The ground floor offers a lounge area, kitchen come diner, utility and family bathroom, by knocking down some outbuildings the two small patio areas would make one large one giving you great outside space which gets the sun all day long. The first floor offers 3 double bedrooms, and other rooms which could be converted into extra bathrooms or living space. You then have the attic which is huge and a blank canvas. This place really does have plenty of potential.
