3 bedroom Townhouse for sale in Gilena, Sevilla

79,000€

This lovely 3 bedroom townhouse is centrally located in the pretty town of Gilena which sits in the province of Seville, just a short drive from from historical Estepa. The property has a typical Andalucian tiled entrance hall which leads to a central sitting room, 1 ground floor bedroom and a separate dining room that opens to the kitchen. The dining room has doors that open to a small courtyard with a utility room and bathroom. On the first floor there is 1 large master bedroom at the front of the property and a small storage room or study. In the centre, the hall continues to a 2nd large bedroom to the rear that opens onto a covered roof terrace. On the second floor is an attic space, which could be easily converted into more living space. This is a great property that needs some modernising, but would make a lovely home.
