

## 4 bedroom Country House for sale in Gumiel, Granada

**90,000€**

This Spacious 4 double bedroom Cortijo is situated in an elevated position on the outskirts of the village of Casillas de Gumiel, close to the town of Moclin in the region of Granada and boasts all round countryside and mountain views. Entrance to the property is across your large front patio, which has a good size above ground pool, alfresco dining and space to soak up the Spanish sunshine and take in those wonderful Andalucian views. On the ground floor we have a dining room, a good size lounge, a double bedroom, quality fitted kitchen with utility / storage room and a fully tiled hi end shower room. Stairs lead you to 3 further double bedrooms on the first floor again all with great views. The property has electricity and town water connections and is being sold part furnished. This Cortijo also comes with a good size private garage which also has space for your utility area. A great value rural countryside house but close to amenities could be your ideal large Spanish family home.
