

2 bedroom Townhouse for sale in Bobadilla de Alcaudete, Jaén

75,000€

Open the old painted folding gates and be amazed at the space within. Hidden within walls there might be no view but there a long mural down one side of the patio opposite the double doors into the living space. Kitchen, diner and lounge merge into one delightful warm room. Off this is a small double bedroom and up some short open stairs is the bathroom and a bedroom with built in lit cupboard.

With excellent use of space, great taste and quality craftsmanship this is an extremely private, unique bolthole on a dead end street in a lively little town.
