Situated in popular Loja in the Granada province of Andalusia, Spain. This 5 to 6 bedroom, 2 bathroom townhouse has much to offer and is set out over many different levels. The main house opens straight in to the main sitting area with a good sized double bedroom on the left. Take two steps down and there is a spacious kitchen which looks out to a patio area. To the right of the kitchen is a separate dining room and a 2nd ground floor bedroom. Out on the rear patio is a full bathroom and utility room. This area also has storage and gives access to three rooms which were used as a commercial kitchen area many years before, when the family ran a butcher's shop in the town.
