

5 bedroom Townhouse for sale in Castillo de Locubin, Jaén

37,000€

Located in the heart of Castillo de Locubin we find this 5 bed townhouse ready to move into offering a large kitchen and superb outside space. The ground floor consists of a living room, downstairs bedroom, a large fitted kitchen to the left and a downstairs bathroom. In the large patio you will find a summer kitchen, store room, second bathroom and utility room with washing machine. To the back of the patio there is another room which could be converted into an extra bedroom or storage space. The first floor offers 2 bedrooms connected by a sitting room and a large 3rd bedroom at the back of the property overlooking the patio. The second floor has potential to be made into a master bedroom with ensuite and has high ceilings. The house has been re-wired throughout and only needs some TLC to make it into a stunning family home.
