This property has had all the structural work completed and is in an enviable elevated position next to the Castle at Mula with stunning views of the town and the surrounding countryside. The town has plenty of shops, bars and restaurants and really is a beautiful Spanish town with a lovely cultural feel.

The plot has plenty of room to put in a swimming pool should it be desired and there is also plenty of space for off road parking.

The property used to have a small stream running underneath it that was used to power a mill as well as various types of machinery and much of this remains today and could be made into some interesting features by someone with vision and imagination.

The building is 400m² and could be made into a wonderful 4 bedroom family home in a beautiful setting.
