

Land for sale in Huércal-Overa, Almería

35,500€

Urban plots for sale in Urcal, Huércal-Overa. From 65 euros per sqm.

Urcal is a small village located just a short drive from the main town of Huércal-Overa. It is a quiet area with great views, and these plots are situated within walking distance to the local amenities, including a health centre and a primary school. Huércal-Overa is just 8km away, where you will find all the services you could possibly need.

These plots are urban, ready for building houses of up to 2 floors.

There are two ways of building your new dream home, buy the plot by itself then build the house separately afterwards, we sell you the plot and give you a price for the type of property you want, and CASASalmeria organise the construction for you. This way you buy the plot and the house at the same time.

We have our team of architects, builders, carpenters, etc. That can design and build a property that meets all your requirements.
