

5 bedroom Cave House for sale in Cortes de Baza, Granada

104,000€

As featured on A Place in The Sun TV show Winter Sun! 2 large cave homes for the price of one. Located on the edge of the quaint Spanish village of Cortes de Baza, Granada. -----

A beautiful large cave house with 5 double bedroom. The property has been divided into 2 cave homes with a large gated patio area with views over the countryside and the Castril River Valley. Excellent quality finish and the homes have natural interior light and high ceiling heights. The home could also be reconnected into one large family home. Excellent location for living and rentals, in the Granda Geo-Park UNESCO site and just a short drive from beautiful Lake Negratin and its natural hot spring baths. ----- The property is sat on the edge of the lovely village of Cortes de Baza, Granada within walking distance of the river, the public swimming pool and the town centre. The town has bars, restaurants, doctors, supermarkets, banks, etc. This cave has a great option to live and a rental business or just a large family home. All mains services connected and good internet available. ----- Video Tour Available. ----- Located on a no-exit road with very little traffic. The property has a gated entrance with private parking and a spacious private front patio with plenty of room for pets. -----

Cave one, the main home, has an entry hall, large kitchen, dinning room, living room with log burner, bathroom and 3 double bedrooms.-----

Cave two, to the right, has it's own private entry door has a living room with log burner, kitchen, bathroom and 2 bedrooms both properties share a large patio area. ----- The homes were originally one large family home and could easily be opened back up again into one home.
