

5 bedroom Villa for sale in La Sierrezuela, Málaga

866,000€

This magnificent villa is located on a 600 m2 plot. Built in 2005, the 310m2 house consists of 3 floors. On the main floor we find an elegant entrance hall with a built-in wardrobe, a renovated toilet and a spacious and bright living/dining room adorned with a fireplace and two windows with new awnings. The fully renovated kitchen, equipped with new high-end appliances, has access to a large 30 m2 covered terrace/porch facing southwest and a garden of almost 100 m2 with its private pool and shower that works with solar panels. The house also has solar panels for hot water.

In the upper part we have a large bathroom with a shower, 3 large and bright bedrooms, each with its built-in wardrobe and private and independent terrace. The master bedroom has a dressing area and en-suite with a shower and bathtub. The entire house faces the outside, therefore it is very bright.

We access the ground floor through the entrance hall where there is a spacious laundry room, office (which can be used as a bedroom) and en-suite bedroom with shower. Since this floor can be accessed from the outside of the house, it is a perfect area for guests. In the garage we find a tidy storage area and space for two cars.

The villa has been renovated to the highest standards so it is ready to move into.

The tropical garden has many cozy corners to relax and enjoy the day under the shade of the tree or sunbathe. There is a very nice view over the mountains and the area from the porch and garden. Facing south, the sunsets from this house are unmissable!
