

5 bedroom Country House for sale in Sant Mateu, Castellón

260,000€

Reduced from 280,000€ TO 260,000€

Traditional Rustic Estate Surrounded By Spanish Olive Trees

We are delighted to present this tranquil and secluded Estate set within a securely fenced plot of more than 10,000m² located a mere two minutes from the historical town of Sant Mateu.

The property has a build size of 280m², with rustic stone and traditional wood finishes. Newly constructed, the house is distributed over one floor allowing for space and light. A spacious furnished living room is home to a wood-burning fireplace. The living room leads to a large fully equipped kitchen with additional storage. The kitchen easily hosts 10 people.

Following on from the spacious living room, the house has five large bedrooms, four of which have walk-in wardrobes. The house has two large bathrooms, one is the master bathroom, the other an ensuite attached to the master bedroom.

In addition the property has an outside BBQ area ideal for alfresco dining and an additional warehouse.

This property really does offer everything you could wish for. A very well located Estate, situated approx 30 km from the coast of Vinaròs and Peñíscola, and just 30 minutes by car from Castellón airport, or 1hr 30mins to Valencia Airport.
