

3 bedroom Townhouse for sale in Chert, Castellón

37,000€

A large property townhouse in Chert with a garden and terrace that requires reformation. The property has a build size of approximately 180m² distributed over three levels.

The ground floor has a living room and kitchen. From the living-dining room there is access to a large interior garden. All the rooms on this floor have ventilation and natural light through windows that overlook the garden.

On the first floor there are three bedrooms, two with a balcony. Also on this floor there is a bathroom with WC and sink, and an interior bathroom in the room with a shower.

The second floor is open plan, without interior distribution, and has a large terrace.

Chert is a village which has everything for daily needs, shops, restaurants, doctors, bars etc. It is well known in the region for it's beauty and views of the surrounding mountains which offer hiking and bike routes.
