For sale in Gaucin Village

Very well located town house with a garden and outbuildings - Partially renovated . Ample space to create a decent size pool and garden . Loads of potential !

Situated on of the streets at the top of the village close to the Park and the church . This is a well proportioned 2 floor property which has to be seen to appreciate the potential .

Modernised some years ago, but does feel dated - so look beyond this to appreciate the space and the scope! There are lovely views to the rear of the property ,

There is a large exterior patio, with some old outbuildings and a 2nd entrance at the end of the patio . Taking all this out, would leave a really great space to create a lovely garden, pool . Parking directly behind the house.

Possibility to build on a roof terrace to get those sort after panoramic coastal views
