

2 bedroom Townhouse for sale in Humilladero, Málaga

69,000€

Townhouse, Fuente de Piedra/Humilladero, Antequera area
2 Bedrooms, 1 Bathroom, Built 137 m², Plot 68 m².

This 2 bedroom property ready to move into.

It would be an ideal holiday home in a village that has good access by the A92 to Sevilla, Malaga, Granada and Cordoba.

The property is registered under Fuente d Piedra but is located close to Humilladero.

The 2 villages just a few minutes apart. It is Close to the Large town of Antequera.

In the historic monumental Antequera which is a short drive away you find a golf club, hospital and shopping centre all the major Supermarkets,

plus most other facilities that you would expect from a town of 45,000 inhabitants.

The property has a covered terrace that could be opened up for a sunbathing area, plenty of storage space, a furnished kitchen, lounge-diner with pellet burner eco fire.

2 double upstairs bedrooms upstairs both with air-conditioned hot and cold.

The village in which it is situated has most facilities such as bars, restaurants, town hall, banks, doctors and a junior and senior school.

It is in an area very popular with foreign residents being near to Fuente Piedra and the salt water lake with its flamingo reserve.

A substantial property for the money.
