Surrounded by extensive green areas where you can enjoy the greatest relaxation. The most unique hiking trails have never been closer. 10 minutes away from the Beach, distinguished by its calm waters.

This Project is constructed out of 224 houses. South or south-west facing, the flats are very luminous and allow you to enjoy breath-taking sunsets from your own terrace.

The properties are divided into Garden Villa, flats and penthouses; and are characterised by the large size of their rooms.

Each building is located on elevated platforms so that the horizon opens up at your feet and guarantees the best views the Mediterranean sea can offer.

Inspired by a topographical plan, this complex stands out for the sinuous movement of its Avant-grade architecture, which continues with the concept that characterizes the constructions of Higueraón Resort
