

5 bedroom Townhouse for sale in Pego, Alicante

160,000€

The 20th century construction is an example of stately architecture and can be renovated by mixing a modern style with ancient elements.

With its characteristic brick building, the entrance, the massive wood carpentry, the stained glass windows... This is a historic house built in 1930 and located in the Center of Pego, partially restored, it preserves the character of the time: wood, noble, original hydraulic floors, the beautiful curves of the doors, the arched openings, the fireplaces, forgotten aromas... This accommodation is unique, to fall in love with...

The building is located next to the Pego town hall, thirty minutes from the white sand beaches of Oliva, one step away from all the services for daily life, leisure, restaurants, gastronomy and cultural activities that you can find in the cosmopolitan city. from Pego, on the Costa Blanca of Alicante.
