

5 bedroom Country House for sale in Ronda, Málaga

360,000€

For sale, semi detached country house with beautiful land in a sort after location, for its proximity to Ronda. only 5km. The house has very easy access , straight from the road with a private car port area. There is an outbuilding of 75m² with a large entrance, which at present has chickens and could easilly be converted into stables. There are 2 hectares of flat land with 50 olive trees, a wide selection of fruit trees, a vegetable patch and plenty of room for a pool and much more.

The house has a large fenced corner patio, bbq, a back garden., keeping it safe and separate from the car parking area. From the patio there are two seperate entrances. One to the ground floor living space. You enter a living area , with a kitchen and bathroom and two bedrooms. This has been used as a rental but the house could be converted into one large family house.

The second entrance has stairs up to the first floor. This has a kitchen, bathroom, a living room and three bedrooms. There are fantastic views of the countryside and mountains and a lovely balcony of the living room.
