

5 bedroom Country House for sale in Frailes, Jaén

167,000€

This is in fact 3 properties in one! It is very deceiving and much bigger than it looks from the outside. You enter the property via a lovely doorway into an inner courtyard with a fountain. On the left there is access to 2 apartments. The ground floor has a lovely fitted kitchen with living room and fireplace. Then there is a 2nd living room, 2 double bedrooms and a large bathroom, with steps to the garden and pool. On the 1st floor is a 2nd apartment with kitchen / living room, two bedrooms and a bathroom. It has stairs to a private roof terrace and the pool, and garden. From the inner patio there are stairs to a studio apartment with bathroom and then outside there are further steps to the Tower with 360 degree views of the countryside and the Sierra Nevada Mountains.

There is also a garage which has arches to the inner patio so this could also be used as a bar or games room. This property is being sold fully furnished and has been totally redecorated to a high standard.
