

3 bedroom Country House for sale in Santiago de Calatrava, Jaén

35,000€

NEW PRICE.

If you are looking for a great property to take great relaxing holidays or live in full-time, then this property is it. It has previously been reformed to a high standard and now offers everything you need, with just some cosmetic updating, to make it the perfect home.

On the ground floor is a lovely sitting room with woodburner, fitted kitchen / diner and a full bathroom. There is access from here to two lovely patios areas with great views and room for an above ground pool or hot tub. There is also a 2nd shower/wet room here too.

On the 1st floor, there are 3 double bedrooms. It would be easy to create an additional bedroom, bathroom or sitting area by dividing up the largest bedroom area.

The village is totally charming with lots to do so this property is perfect for a family. There are several shops and bars within easy walk and the town of Martos is about 20 mins drive. There is a lovely municipal pool open in the summer months with a great restaurant open all year round. There are several fiestas held throughout the year which welcome locals and visitors alike to join in and enjoy the Spanish culture, food and festivities, this village has to offer.

Most of the furniture is included.

Santiago de Calatrava in Jaen is an attractive little town surrounded by olive groves to the west of the province. With less than 1,000 inhabitants, except in the summer months when many return to the family house to escape the heat of summer in the larger towns and cities.
