

Townhouse for sale in Martos, Jaén

60,000€

This is very very special! It offers so much to someone looking to set up a local business etc as it used to be a flamenco studio with accommodation and a restaurant / bar. Check this out! Its has 3 floors with a bar on the ground floor plus a rear patio and bathroom. On the 1st floor is the dance floor just ideal to carry on as a studio or set it up to offer as a small nightclub, There is a bathroom here too. Then on the top floor there is a sitting room, kitchen and terrace. Now it could be possible to turn the 1st floor into a few bedrooms instead of a large dance studio then this could be made into a local hospederia to offer B and B. So many options. So if you are looking to run a business come and see what you can do with this! Great property for the money! what a great investment and the property is in excellent condition. Its not far from the town square with market and local shops etc...
